

# UU Social Justice Calendar 2013—2014

Plan your social justice calendar for the year. If your congregation's social justice ministry is connecting with any of the interfaith and community movements below, you can join in collective national advocacy with the UUA, UU social justice organizations, other UU congregations, and community and national partners! As we get closer to the dates, go to [www.uua.org/justice](http://www.uua.org/justice) for worship resources, action campaigns, educational materials and more!
